

Welcoming the Duke of Edinburgh's Award in the Surrey Hills

Leading youth Charity the Duke of Edinburgh's Award gives all young people aged 14-24 the chance to develop skills for life and work, fulfil their potential and have a brighter future.

From March to September you may notice lots of young people trekking across your patch of the Surrey Hills. For many it will be a new experience of being self-reliant in the outdoors.

Let's keep them motivated by offering local advice and a smile!
