

**GASP Motor Project Visit – opportunity to gain insight into this project making
a difference to young people’s lives in the Surrey Hills
Wednesday 22nd March 2017
7.15pm start – 9.00pm
Gomshall area, between Guildford and Dorking**

Come and join Chris Howard, Chairman of the Surrey Hills Society and Sally Varah MBE DL, Chairman of the GASP Motor Project for an evening of wine and cheese, to view the fascinating work of this little known charity, based in Gomshall. This is an opportunity to learn more about the great work going on in the Surrey Hills and strengthen the Surrey Hills network.

At the GASP Motor Project, young people aged between 14 and 19 years who are living in Surrey, learn basic motor mechanics and practical engineering skills in a modern workshop. They also provide a mobile service across the County.

Qualified mechanics run daytime, after school and evening sessions; the daytime programme provides an alternative learning facility for mostly under-achieving and disaffected young people, and the evening sessions are for those in mainstream education. The young people work in small groups, in a safe and professional space. They start to know their way around a vehicle and learn how to work as a team. Since GASP was launched in 2005, they have run sessions for a wide range of young people who get hands-on experience and achieve more than anyone thought possible.

The event will take place from 7.15pm till 9.00pm. The meeting place will be sent out with your confirmation email when booking. There will be plenty of free parking available at the site. The event is free, and open for members and non-members, but any donations of the night would be appreciated and will go to GASP.

Booking is essential although there is no costs associated with this event. Please enclose your e-mail address OR a stamped addressed envelope for confirmation of your booking.

For further information, please contact Chris Howard 07879-841000 or info@surreyhillssociety.org

Please note that the Surrey Hills Society and its Event partners accept no responsibility for any loss, damage or personal injury during events. Participants are requested to wear appropriate clothing and footwear and take due care and attention. The Society uses members' photographs on social media and on our website. If you are not happy to have your photo taken during this event, please notify us in writing prior to the event and make the event organiser aware on the day.
