

Stony Jump

Stony Jump is now owned by the National Trust and provides an important habitat area for reptiles. The hills contain a hard dark rock known as ironstone, which was an important source for the iron industry in the 16th century.

The Devil's Jumps are a series of three conical green sand outcrops known as High Jump, Middle Jump and Stony Jump. Local legend states that the name of these hills originates from the leaps the Devil made to escape the White Witch of Waverley.

Barford Mill

Barford Mills were used for papermaking. The other two mills dating from the 1730s and known as Upper and Lower Barford Mill the middle of three mills was still in use at the early part of the 20th Century. In 1264 and was rebuilt seventy years later on the other side of the stream. Barford Mill and millers were an important part of local community life. Barford Mill

Barford Mill

This is one of a series of three walks starting from Frensham Great Pond Visitor Centre in the Surrey Hills Area of Outstanding Natural Beauty.

It is advisable to wear stout walking boots as some paths may become muddy during wet weather.

Encounter stunning views, historical landmarks and dramatic heathland on this picturesque route. This 9 mile, 4 hour 30 minute walk begins and ends at Frensham Great Pond Visitor Centre and is covered by Ordnance Survey Explorer maps 145 and 133. Refreshments are available from the Pride of the Valley Hotel and the Visitor Centre.
